Connecticut Wealth Management CPA/PFS, Director Appointed Auditor The College Club of Hartford

FARMINGTON, CT, February 10, 2014 – Kathleen M. Christensen, CPA/PFS, Director at Connecticut Wealth Management, LLC, has been appointed auditor for The College Club of Hartford. Christensen brings over 20 years of experience in finance, tax planning and accounting to her new role. As auditor for the organization, she will be responsible for reviewing and evaluating the organization's financial activities.

The College Club of Hartford was founded in 1905 by a group of forward-thinking women as an educational and philanthropic organization, with the pursuit of scholarship aid as its chief interest. The founders were all college graduates, which at the time was no small achievement, as women made up less than 4% of the college educated population.

In addition to providing scholarships to high school students and a special grant annually to an area organization, the group maintains an active schedule of educational, civic and social programs for their members. Membership in The College Club of Hartford is open to women who are graduates of two- and four-year colleges and universities.

"As a member of this prestigious organization, I am excited to further my involvement and contribution to our mission in my new role," said Christensen. "It is an honor to be selected for this position by fellow members of the College Club."

Christensen's additional community involvement includes membership in the American Institute of Certified Public Accountants (AICPA), the Hartford Estate and Business Planning Council and the Connecticut Society of Certified Public Accountants (CSCPA). She is also an active parishioner at the Church of St. Peter Claver and a volunteer at Conard High School.

Christensen is a graduate of the University of Hartford with a Master of Business Administration degree with a concentration in Taxation. She also earned her Bachelor of Science in Accounting from Fairfield University. She is a Certified Public Accountant and a Personal Financial Specialist.
