## **Connecticut Wealth Management Team Volunteering at the Hartford Area Habitat for Humanity**

**Farmington, CT (February 23, 2017)** – Connecticut Wealth Management, LLC (CTWM) is proud to announce that its team will be volunteering at the Hartford Area Habitat for Humanity. The CTWM team plans to assist the Hartford Area Habitat for Humanity in their mission to create a world where everyone has a decent and affordable place to live. CTWM has also committed to provide financial support to the organization.

“We strive to create financial plans for our clients with personalized strategies designed so each client can identify, plan and work toward their unique financial goals. We are proud to work with an organization that helps local families work towards improving their finances and living conditions. The steps the organization takes to provide a safe and happy home for families is in-line with our philosophy,” said Kevin C. Leahy, CPA, CFP®, President & CEO.

Hartford Area Habitat for Humanity is dedicated to eliminating substandard housing locally and worldwide through constructing, rehabilitating and preserving homes; by advocating for fair and just housing policies; and by providing training and access to resources to help families improve their shelter conditions. Habitat for Humanity was founded on the conviction that every man, woman and child should have a simple, durable place to live in dignity and safety, and that decent shelter in decent communities should be a matter of conscience and action for all.
