Connecticut Wealth Management Ranked #1 in Connecticut

March 5, 2018 (FARMINGTON, CT) – Connecticut Wealth Management ("CTWM"), a Farmington-based Registered Investment Advisor, has been named the Best Place to Work ("BPTW") in Connecticut in the small/medium size business category. This marks the second year in a row that CTWM was recognized by BPTW and the first year that the firm placed first in the category.

"Each day we try to live by our Mission Statement which states, 'We are committed to providing superior advice, service and performance to our clients and rewarding careers for our team members.' So it is especially exciting and humbling to be recognized by BPTW as the #1 small/medium size company to work for in Connecticut," said Kevin C. Leahy, President of CTWM.

The BPTW survey and awards program were designed to identify, recognize, and honor the best employers in Connecticut, benefiting the state's economy, workforce, and businesses. This year's honorees were made up of 45 companies split into two categories: 27 small/medium-sized companies (15-199 US employees) and 18 large-sized companies (200 or more US employees).

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Connecticut, analyzed the data, and determined the final rankings.
